

GIVE BACKS DAY

MISSISSIPPI CHIROPRACTIC

December 12-16th, 2022

We want to express our gratitude to the community through our first Give Backs event. We care about you and our community and we will donate a portion of our patient fees for the entire week PLUS match all donations made by our patients up to \$ 5000.

Over the years, Mississippi Chiropractic Health Centre has been dedicated to improving the health of our patients and their families. We are very grateful for our hospital and the NEW Emergency Department that will benefit everyone in our community.

Please consider joining us by making a donation to YOUR hospital.
